WARRANT

To the inhabitants of the Town of Temple in the County of Hillsborough in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the Eleventh Day of March next, at ten o'clock in the morning, to act on the following subjects.

Article 1: To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Article 2: To cast your ballots for the election of such officers as may be required by law to serve the Contoocook Valley School District for the ensuing year.

THE POLLS SHALL OPEN AT TEN O'CLOCK IN THE MORNING, AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE EVENING.

You are further notified to meet at the new Temple Elementary School in said Temple, on Saturday, the Fifteenth Day of March next, at Ten o'clock in the morning, to act on the following:

Article 3: To see if the Town will vote to authorize the Selectmen to negotiate with and enter into a purchase and sale agreement with the owner(s) for the purchase of a 64.81 acre parcel of land located on General Miller Highway (Skladany land - Map 07 L 031), on such terms and conditions as they deem fit and, further, subject however, to the condition that the Selectmen shall not agree to purchase said property at any price that exceeds an appraisal of the property, which the Selectmen shall obtain, by ten percent (10%). Further, to raise and appropriate the sum of \$200,000 (gross budget) to fund said purchase and to authorize the issuance of not more than \$200,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon.

(2/3 Ballot vote required) (Selectmen recommend)

Article 4: To see if the Town will vote to raise and appropriate the sum of \$123,085.00 for the purchase of a fire tanker truck for the Fire Department, and to authorize the issuance of not more than \$123,085.00 in bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. (2/3 Ballot vote required) (Selectmen recommend)

Article 5: To see if the town will vote to raise and appropriate the sum of \$1,031,672.00 for town charges and other necessary maintenance and operating expenditures. (Selectmen recommend)

Article 6: To see if the Town, pursuant to the authority granted to it in RSA 79-A:25; will vote to place 10% of the revenues of all future payments collected pursuant to RSA 79-A into the conservation fund which was previously created in accordance with RSA 36-A.
(By petition) (Selectmen oppose 2 to 1)

Article 7: To see if the Town will vote to raise and appropriate the sum of two thousand five hundred dollars (\$2,500.00) for the purpose of replacement, maintenance and/or repair of the rails and posts around the Town Common. (Selectmen recommend)

Article 8: To hear the reports of agents, auditors, and committees or officers heretofore chosen and to any vote relating thereto.

Article 9: To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) for the purpose of a feasibility study on the renovation, restoration and/or addition to the Town Hall.
(Selectmen recommend)

Article 10: To see if the town will vote to raise and appropriate the sum of sixty thousand dollars (\$60,000.00), as its share of the cost of replacing a Town Bridge. This appropriation is required to qualify the Town of Temple for State Bridge Aid and this will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until a bridge has been completed or December 31, 2008, whichever is sooner.
(Selectmen recommend)

Article 11: To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) for the purpose of purchasing back stop and dug out fencing, benches and bases for the new baseball field constructed on NH RT 45 by the Temple Elementary School.
(Selectmen recommend)

Article 12: To see if the Town will vote to accept and maintain the newly acquired CET Fire Pumps Manufacturing unit, Defender Series SK, forestry firefighting skid, suction pump and foam unit as a gift from the Temple Fireman’s Association. (Selectmen recommend)

Article 13: Whereas, New Hampshire residents pay the 12th highest cost of insurance in the country; and

Whereas, the cost of health insurance premiums for families has increased by 45% over the past three years; and

Whereas, 100,000 New Hampshire residents have no health coverage and 77% of them have a full-time worker at home; and

Whereas, due to these rising costs almost half of New Hampshire’s small business cannot afford health coverage for their employees, therefore be it resolved

That we, the citizens of Temple, New Hampshire, call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses, and health care providers to ensure that:

- Everyone, including the self-employed, unemployed, un- and underinsured, and small business owners has access to an affordable basic health plan similar to what federal employees receive;
- Everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair contribution to finance the health care system;
- Everyone receives high quality care that is cost efficient and medically effective; and
- That these efforts help control the skyrocketing cost of health care. (By petition)

Article 14: To see if the Town will vote to institute the Temple Rescue Squad within the Temple Volunteer Fire Department. (By petition)
(Selectmen oppose)

Article 15: To see if in addition to instituting the Temple Rescue squad the town will also vote to fund the initial cost of seven thousand five hundred dollars (\$7,500.00) to equip and fund the additional costs of the squad to the town. (By petition) (Selectmen oppose)

Given under our hands and seal this 12th day of February in the year of our Lord, Two Thousand, and Three.

SELECTMEN'S REPORT 2002

A major accomplishment by the Board of Selectmen in 2002 was the settlement of numerous lawsuits which had been filed against the town. After many long hours in court and mediation, the Selectmen were able to reach mutual agreements on all the major litigation. These issues were complex and expensive but we believe we arrived at a successful conclusion.

The Selectmen focused the efforts of newly hired part-time town employees on straightening up the Selectmen's office and improving organization in the office. New computers and updated software were purchased to streamline and simplify some of the office responsibilities. This project is on-going to increase efficiency and make a more professional office.

Early in the year, Betsy Perry was hired for a part-time position to undertake a specific project, the sorting, indexing and organizing of Temple's old records and documents. These Town records spanned over two centuries of Town business. Some old Town records are to be kept by the Temple Historical Society for safe keeping. Other Town records, which the Town is required to keep, will be cross referenced, duplicated and stored properly for preservation. The Selectmen's office computer system will be utilized for indexing Temple's Town records. Thanks go to Ms. Perry for the exceptional job she did.

The Board of Selectmen approved the conservation easement on the fields of the John Doyle property which straddles the Village District or Town Center. The easement resulted from efforts of the Conservation Commission and the Monadnock Conservancy. The Conservancy holds the easement for the Town, a common arrangement with which the Conservancy is well versed. The easement was funded by the Conservation Commission as well as donations by private citizens.

The Board of Selectmen approved installation of playground equipment at the ballfield in October and accepted Glen Farms Road as a town road in November.

Respectfully submitted,
Robert Frazier, Bruce Kantner, Sherry Fiske

TOWN FORESTER'S REPORT

Over the past year the State has changed the criteria used in assessing stumpage value. The law now requires assessing officials to consider the quality and location of the timber as well as the size of the sale. A timber tax assessment worksheet provided by the State is being used to help determine the value of each timber sale reported.

For the tax year April 1, 2001 through March 31, 2002, 10 Reports of Wood or Timber Cut were received by the Town. Yield taxes assessed for these harvesting operations totaled \$5,285.37. As of January 11, 2003, 16 Intents to Cut have been filed with Town for the current tax year.

The State RSA specifies that any person owning land upon which wood or timber is cut, either for sale or for services rendered, must first file an Intent to Cut form with the Town Selectmen or assessing officials. The exception to this is a person cutting up to 10,000 board feet of logs or up to 20 cords of fuel wood for either their own use or for a land conversion. Under these exceptions an individual does not have to file an Intent to Cut form. The tax years runs from April 1st to March 31st.

The RSA also states that within 60 days of completion of the operation or by April 15th, a Report of Wood or Timber Cut must be filed with the Town specifying the exact volume cut by species. The Town will levy a 10 percent yield tax based on the stumpage value of the material cut. If the job is not completed by March 31st or did not take place, a Report of Cut must still be filed by April 15th. At that time, a new Intent to Cut should be filed to renew the permit. If the job is not completed by March 31st but will be completed by June 30th, a 90 day extension may be granted without having to renew the permit. To do this the Selectmen must be notified in writing by the Owner, prior to April 15th. Finally, during a harvesting operation, if the volumes to be harvested are going to exceed the estimated volumes on the original Intent to Cut, a supplemental Intent should be filed immediately showing the additional estimated volumes.

Landowners considering a timber harvest should be aware that there are State harvesting regulations that must be followed. If you have any questions regarding this or the permitting process, you can contact me through the Selectmen's Office.

Allan Oxman, Licensed Forester #67

CONSERVATION COMMISSION

The Conservation Commission has been meeting for many years on the 1st Monday of the month at 5 p.m. but recently voted to change this to the 4th Monday of each month (except July) at 7 p.m. The Commission hopes this will encourage wider community participation in its meetings.

During 2002 the Commission worked on a number of important projects for the Town. The most significant is probably the protection of the Doyle property just southeast of the Town center. Working with the Monadnock Conservancy, the Commission purchased a conservation easement on the fields that surround John Doyle's brick and frame house. This transaction assures that views from the town center as well as those approaching the center from both the south (Rt. 45) and east (General Miller Hwy.) will be protected. The total cost of this project was approximately \$48,000 of which three-quarters came from the Town's conservation fund; the balance came from the contributions of individual townspeople for which we are very grateful.

Another major project which Commission members have worked on for eight months concerns the 352 acre Temple Mt. Ski Area. In addition to approximately 150 acres used by the ski operation, the property includes significant areas south of the peak along the Wapack Range ridge, and the eastern slope and bowl area. As well as protecting views of the mountain from throughout the Monadnock region, this is considered to be a particularly important project because it would link thousands of acres of protected land to the north with almost equal amounts to the south. It would protect the Wapack Trail which cuts through the property. Because of the size and importance of this project the Commission is working with conservation groups from other towns as well as local, state and New England conservation agencies.

Continuing to maintain General Miller Highway under the state's Adopt-A-Highway program, maintaining the Chris Weston Conservation Area (including establishing a reserve fund for site cleanup) and working to develop the Town's Natural Resources Inventory (part of the Master Plan) were also projects the Commission worked on in 2002. The Commission is also working to further clarify conservation objectives and to put a new budgeting system in place.

The upcoming year promises to be equally challenging for the Commission and we would like to reiterate our invitation for townspeople to attend our meetings and to get involved in our projects.

Respectfully submitted,
Temple Conservation Commission

WILTON/LYNDEBOROUGH/TEMPLE AMBULANCE SERVICE

In 2002, we responded to a record 387 calls for medical aid. This represents an increase of almost 8% over last year. The call breakdown is as follows: 220 calls in Wilton, 75 calls in Lyndeborough, 73 calls in Temple and 19 calls for mutual aid to other towns.

We also implemented our per diem Paramedic coverage voted on at Town Meeting in all three of our member towns. We started on April 1, 2002 and it has been a total success. Thank you for your support of this and all our efforts to bring you, the town's people, the care that you deserve.

Our 35 active members include: 3 First Responders, 10 EMT-Basics, 11 EMT-Intermediates and 11 EMT-Paramedics that are responsible for staffing our 2 ambulances, 24 hours a day, 365 days a year. Thank you all for giving countless hours to serve your community.

Carylyn H. McEntee, Paramedic/Director

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment meets the first Thursday of the month at the Municipal Building. This is an open meeting and all are welcome to attend. Notices of applications that will be acted upon are posted at the Town Hall, Monadnock Ledger and the Temple Store.

The board members this year had a busy year. Of the cases which were heard, there were: 3 Variances, 5 Special Exceptions and 1 appeal of an Executive Decision acted upon this year. The board did its best to handle all cases fairly and enforce the Zoning Ordinances of Temple. These Zoning Ordinances were created to help preserve the character of Temple.

The appreciation of the board goes out to the two retiring members that have left the board. Thanks for your service: Colleen Martin and Will Phillips.

The board would also like to welcome its newest member Honey Hastings, who joined the board in January.

Anyone interested in joining the board should submit their name to the Selectman's Office.

Respectfully submitted,
Don Kraemer, Chairman, Zoning Board of Adjustment

PLANNING BOARD REPORT 2002

In the year 2002, the Planning Board reviewed one minor subdivision, creating one new three acre lot, reviewed and approved three separate lot mergers, one lot line adjustment, and reviewed one lot that was deemed unbuildable. Also, a site plan review and approval was done for the Lucas Foundation, so that they may use land for new residential care facilities.

The Master Plan has taken most of the Planning Board's time. Thorough review of the basic studies sections is nearing completion. We will soon have a public meeting to approve and accept the basic studies section. Next, we will ask the townspeople to join us in forming the future land use section.

As soon as the Master Plan is complete, I am hopeful that the town will develop a comprehensive capital improvements program. With these two programs in place, the town will have the necessary requirements to enact such things as impact fees and growth ordinances.

Once again, my thanks and appreciation to my fellow planning board members.

Bruce H. Kullgren, Sr., Chairman Planning Board

ANIMAL CONTROL OFFICERS REPORT

2002 was a busy year for the Animal Control Dept. Below is a list of some of the calls we handled.

Dog owners please take note, all dogs over the age of 4 months old must be licensed by April 30 each year RSA 466:1. The dog tag should be placed around the dogs neck. Not only will this help me when your dog gets lost, it's a State law.

Computer Use 281 times

The library purchased 360 books and accepted the gift of 79 others. We removed 183 books from the collection.

National Library Week was celebrated on April 16 with a book and craft activity. Story Hour was held from Jan. until March. Summer Reading began on June 26. Six craft activity sessions were held on Tuesday mornings. Twenty-one children read a total of 319 books. Awards were given out at our party on August 8.

This has been an exciting year with the completion of our addition and renovations. We thank all who made this possible with their generous contributions of time, money and labor.* We also thank everyone for their patience during the upheaval and the several times we needed to be closed. We hope you will stop by to visit.

We provide the following for public use: a computer with internet access, a copier, tax forms (both federal and state), and 2 adult tickets to the Museum of Fine Arts in Boston.

The trustees meet every other month on the second Wednesday. Book Discussion Group meets each month. Please call for details on this.

Library Hours: Monday, Wednesday & Friday 1:30 - 5, Tuesday 10 - 12 & 1 - 5:30, Wednesday evening 7 - 9, and Saturday 2 - 5. Our phone number is 878-3100. Our email address is mansfield@tellink.net

2002 was a very busy year for the TVFD. Eighty fire calls may be an all time record for us but we were easily able to muster crews every time. Fire fighters John Bauchat and Jim Koster spent March till December, two nights per week and many weekends, attending fire classes at the Peterborough Fire Station achieving Level 2 State Certification. They are the first TVFD firefighters to receive this high certification and we shall keep them busy training the rest of us in the advanced level of proficiency they have achieved. Curtis Dude is attending Level 1 certification classes. Four firefighters earned their Commercial Drivers Licenses this summer. Mike and Pat Connolly, Luke Peterson and myself spent two months in classroom and driving time earning our CDL B license. Seven firefighters earned fire pump certifications.

The TVFD installed two new dry hydrants. One on West Road, the other on Memorial Drive. These two sites add thousands of gallons of water to our available supply. Thanks so much to the Karl family and the Lukas Foundation for allowing us such easy access to these valuable sites.

After three years of fundraising to restore and house Annabelle, Temple's first fire truck, we were preparing to break ground on the addition project when the drought, the risk of forest fire, our lack of forest fire equipment, the availability of the old town dump truck and the generosity of hundreds of our friends and neighbors all came together. Today in the new 900 square foot fire station addition sits a beautifully painted Annabelle behind our new brush truck. Thanks so much to everyone who worked so hard on these projects. Our donated efforts will serve the town well for years to come.

COMMUNITY FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate and coordinate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail, plus suppression costs.

A new law effective January 1, 2003, prohibits residential trash burning (RSA 125-N). Contact New Hampshire Department of Environmental Services at (800) 498-6868 or www.des.state.nh.us for more information.

Help us to protect you and forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and make sure that the house number is correct and visible. Contact your fire department or the New Hampshire Division of Forests and Lands at www.nhdf.org or 271-2217 for wildland fire safety information.

SOUTHWEST REGION PLANNING COMMISSION

The Planning Commission, with a service area covering 36 municipalities in Cheshire, Hillsborough and Sullivan Counties, is one of New Hampshire's nine regional planning agencies established by the State Legislature and the Region's towns. We continue to provide planning-related assistance to member communities and to represent the Southwest Region in state and federal programs. Our diverse work program covers activities including local planning assistance, natural resources planning, regional information systems & mapping, transportation planning, community & economic development, and hazard mitigation planning. We are funded through multiple sources including local membership dues. For every dollar of local dues, we've succeeded in leveraging six additional dollars to assist in meeting the needs of the Region and its municipal members. These resources provide the Commission the ability to assemble a professional staff which member municipalities have direct access to.

Highlights of Commission activities for the past year include:

- continued assistance to the Town in updating the Temple Master Plan,
- published the document entitled "Guiding Change: The Southwest Region at the Beginning of the 21st Century," representing the updated regional plan for Southwest New Hampshire,
- expanded community development activities through several successful grant applications under the State's CDBG program,
- completion of the Rt. 202 Corridor Study: MA State Line to Rt. 9 in Hillsborough,
- continued involvement in several other transportation planning projects including improvements to the Connecticut River Bridges at Rts. 9 and 119, Rt. 12 bypass of Troy Village, Keene-Swanzey bypass expansion, and Rt. 202 widening north of Peterborough,
- sponsor of several workshops including economic development, transportation, and resource protection,
- assistance in updating Master Plans for several Southwest Region communities,
- assistance to the Region's towns with local hazard mitigation planning, and
- continued progress in building a state-of-the-art information system for Southwest New Hampshire.

We continue to be available to assist you in your planning related activities - please don't hesitate to contact us if you have a project you would like to discuss. Thank you for your continued support of the Commission. We look forward to working with you over the coming year.

Timothy P. Murphy, Executive Director

MONADNOCK FAMILY SERVICES

As you know, Monadnock Family Services (MFS) is active in your community, providing quality mental health services to residents who need them, regardless of their ability to pay. As part of this mission, we feel it is important to let you know the extent of our work, and are pleased to give you the enclosed census report which outlines the services provided to Temple residents during 2001/2002. Over the past year, MFS provided services to over 3,800 adults, children and older adults, of which 28 were residents of Temple.

MFS needs your financial support to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your town. Based on figures from the 2001 population estimates from the NH Office of State Planning, we are asking for the equivalent of \$1.25 per capita, which for the town of Temple amounts to \$1688.75.

The costs of providing services to the uninsured has increased steadily due to rising treatment costs and more people seeking subsidized services. The costs to MFS of serving the uninsured and under-insured residents of the Monadnock Region has averaged half a million dollars annually for the past three years. United Way funds and town subsidies cover approximately one third of this significant expense. Our services to uninsured adults are further jeopardized as state regulations prohibit us from supplementing non-funded or under-funded services with state funds.

Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Temple will continue. We work very hard to keep our costs down, and to identify, whenever possible, alternate sources of funding for this population.

In addition to the census report, I have enclosed materials describing the services we provide. If you have questions, or require more information, a representative from the agency will be happy to speak with you. Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work and grow. Thanks for your consideration.

Lee Bruder, Director, Eastern Region

PROJECT LIFT LITERACY PROGRAM

Project LIFT literacy program that is located at the Fuller Public Library has been providing services to ten communities since 1992, including the Town of Temple. Since first organized, LIFT has been providing free educational services to undereducated adults, 16 years and older, in rural communities such as Antrim, Washington, Hillsborough, Deering, Temple, Jaffrey, and Bennington as well. Our goals have remained constant through the last ten years. They are to improve the literacy skills of the undereducated, to encourage volunteerism through the effective participation of community tutors, and to promote the role of local libraries as additional resource centers.

Through the efforts of a full-time literacy coordinator, Project LIFT has been successful in attaining these goals. Since its inception in 1992, nearly 500 adults from target communities have been involved in the program. More than 170 volunteers have been recruited from those same communities and have been trained to provide individual instruction for adults who wish to improve their reading, writing, or math skills, as well as prepare for the GED examination. To date, there have been nearly 113 students who have achieved their GED.

The need for a program such as Project LIFT is well documented. In the town of Antrim, Bennington and Hillsborough alone, there are more than 1200 adults, over 18 without a high school diploma. All are potentially eligible for LIFT services. Before our program was established, the Fuller Public Library attempted to coordinate a library based adult literacy program. However, without the support of a full-time coordinator, the student/tutor pairs had difficult time accessing appropriate materials and tutors felt the lack of on going training and support. Before the establishment of LIFT, students residing in Antrim, Bennington, Hillsborough and Deering areas had to travel 25-50 miles to either Concord or Keene to pursue their education. Between the seasonal weather, student's schedules and unreliable transportation, this was not a realistic option.

Now, our services blend with other community agencies in each town that we serve. Although initially funded through Federal Library Literacy funds, funding for the past six years has been achieved through a variety of sources, including contributions from towns we serve, individual and corporate contributions, private foundations and NH Department of Education.

There is an average of 70 students served by Project LIFT that stay in the program throughout the entire year. The estimated budget for year 2003 is \$35,409.69 which includes coordinator salary/benefits and program costs. The

following formula shows us approximately how much cost per student, excluding the NH Department of Education funding.

\$35,409.69 Budget Expenses
\$17,213.40 Less Dept. of Ed. funding
\$18,196.29 Funds to raise from towns/private/foundations

\$18,196.29 divided by average amount of students
(based on last 5 years)
70 students = \$259.95 cost per student

Because we are never sure how many students will come from which towns, we originally asked for small donations from the smaller towns. We have been trying diligently to keep budget costs on a constant level.

Project LIFT served 1 student from Temple between September 2001 and September 2002. We served 5 students from Temple in 2000-2001. The contribution of \$100.00 was appreciated last year and we hope that we can expect the same for 2003. If a larger amount of funding is considered and approved by the Town of Temple for Project LIFT literacy program services, it would be greatly appreciated. Please feel free to contact me with any additional questions you may have regarding the budget or our program.

Judy Fournier, Coordinator
Project LIFT Literacy Program

MILFORD AREA MEDIATION PROGRAM

Beginning in 1992, mediation services have been provided in the greater Milford area. The Milford Area Mediation Program provides mediation services free of charge to families in the great Milford Area. That area includes 14 towns including: Milford, Peterborough, Mason, Fracestown, Greenfield, Temple, Hancock, Antrim, Bennington, New Ipswich, Mont Vernon, Wilton, Lyndeborough and Greenville. The Town of Milford supports the Milford Area Mediation Program, with financial contributions from Wilton, Greenville, New Ipswich, Greenfield, and Temple. The program began as a satellite office of the Nashua Mediation Program. On July 1, 1995, the Milford Area Mediation Program became an independent municipal mediation program and a service of the Town of Milford. The program's business office is located in the Town of Milford Wadleigh Library, Library Annex. Mediation space is also provided at the Peterborough Town Hall, New Ipswich Police Department Conference Room, Southern New Hampshire Services at Riverview Apartment Complex and the Grapevine in Antrim for families who cannot access services at the program's Milford location.

During the past grant year The Milford Area Mediation Program continued to successfully provide services to the target towns. As the year began the program coordinator, Ellen Gardent announced her retirement from the program to pursue a private practice. In April, Kate Fitzpatrick took over as program coordinator.

The impetus for funding the Milford Area Mediation Program is to provide free of charge mediation services to families where geographical location limits accessibility to services in the larger communities. In many rural areas in the western portion of Hillsborough County, mediation is one of the few free services available to families.

Parent-child mediation is a process of dispute resolution for family members experiencing conflict and/or having communication difficulties. The family members meet with a team of two trained volunteer mediators to work towards a mutually agreeable solution. The focus of the mediation program is to prevent out-of-home placement of juveniles by helping families to resolve conflict and by developing skills for family members to use in dealing with future conflict.

The Milford Area Mediation Program has provided mediation services free of charge to 195 residents of Hillsborough County during the period of July 1, 2000 through June 30, 2001. Out of the 195 residents served 103 were juveniles and 92 were adults. The breakdown by town is as follows:

Francestown	4	1
Greenfield	7	3
Greenville	8	4
Hillsborough	5	3
Milford	125	67

TEMPLE POLICE DEPARTMENT

2002

The officers have done a tremendous job patrolling, investigating and keeping criminal activity down. This effort was reflected in our low crime rate. A continuing goal of the department has been to provide the residents of Temple with a safe place in which to live. This was accomplished by having professional officers, good equipment and most importantly, your support. The addition of the second cruiser has increased our availability and effectiveness, and improved the officer's safety. The end result has been a decrease in arrests and fewer accidents in 2002. However, juvenile incidents did rise a bit.

In the past, the police department has applied for and received several grants from the NH Highway Safety Agency. These grants have allowed for additional equipment and speed monitoring patrols. Over the years the department has received funding grants that have saved the Town of Temple thousands of dollars. The department will continue to apply for more money-saving grants when and if they become available.

The department would like to thank Mrs. Dorothea Guy and Mr. & Mrs. Paul Martin for their generous donations. The department was able to purchase a mobile radio, which enables us to communicate directly with the highway department during emergencies and day-to-day operations, along with traffic safety items for the playground. Our agency continues to be successful with the assistance of the town departments, state law enforcement agencies, and you, the Temple citizens.

Thank you to all the employees of the police department for a job well done.

Respectfully submitted,
James H. McTague, Chief of Police

HIGHWAY DEPARTMENT

Summer :

We began to think that summer would never come. It snowed and rained and snowed until the middle of May. June was a fairly wet month, but then it hardly rained at all for the remainder of the summer.

On May 28 we picked up the Town's new small dump truck. This truck replaces the 1985 one ton dump truck that we had, which was transferred to the Fire Department. This truck is doing the work of the old one and more. It is amazing what you can do when you have good equipment to work with.

Along with our usual grading of roads, roadside mowing, and culvert repairs, we rebuilt about 2000 feet of East Road, repaved a section of Colburn Road, and widened a dangerous curve on Colburn Road.

We hired Jon Pearson and his crew in August to build a retaining wall at the tennis courts. We prepared the site for them and hauled in all the stones. Our thanks to the McPhee family on Cutter Road for donating all the stones. The wall came out excellent.

Our other big project for the summer was to build a new ballfield for the kids next to the Elementary School. Ken Lorden donated his very large bulldozer and his time to "rough out" the area for the field, then in August and September, when things had dried out, we finished spreading the topsoil and leveling the field. Thank you Ken for all your help!

In 2001 the Selectmen accepted the deeds to two new roads, Hedman Lane and Gambol Brook Road. In November of 2002, they accepted the deed to Glenn Farms Road. These roads add about 0.8 miles to be maintained by the Highway Dept.

This fall, our work on installing underground drainage and graveling dirt roads was cut short by winter moving in early. We will have to take up where we left off next year. East Road and Colburn Road did not get sealed as planned. We will seal them when we do Hadley Highway in the summer of 2003. The plan is also to pave the steep portion of Howard Hill Road, which is one of the last very steep, troublesome hills in town to be paved. More work needs to be done on the school ballfield. The possibility lingers of having to do site work for new buildings or additions, and work continues on the new cemetery.

Winter:

In the month of January 2002, we had 13 storms varying from a dusting of snow to rain to a couple of 4 inch or 6 inch snowstorms. Although this winter will go on record as one of the warmest that there has been, it just didn't want to quit. Everytime it seemed like spring was here, it would snow again. No

big storms, just nuisance storms right up to May 18th. October 23rd it started in again with the same thing: small snowstorms, freezing rain, more snow. Christmas Day we got 14 inches of snow in one dumping and headed on into the New Year with lots of ice and snow on everything.

Even though it seemed like a long winter, we ended the year with excess money in the budget to be turned back to the town. I have trimmed approximately 6% from the budget for the year of 2003. A large amount of this is lower anticipated repair costs. I do believe that we can make this work and still do all the projects that are planned. Only time will tell.

Timothy P. Fiske, Road Agent

CEMETERIES

We didn't have much in the way of special projects this year besides our usual raking, mowing and trimming the grass. Peterborough Marble and Granite repaired a few more broken monuments in East Cemetery for us and we managed to get more fill hauled into the new cemetery. We should be able to finish off the front half of the new cemetery in 2003 with any luck.

Another cemetery project for 2003 will be to straighten out the stonewall at the front of East Cemetery. The big granite stones are beginning to move, although we are not sure why, and need to be put back into place. These stones each weigh in excess of 5000 lbs. so it won't be an easy project, but I'm sure we will be able to get it done.

Respectfully submitted,
Timothy P. Fiske, Cemetery Supervisor

RECREATION 2002 REPORT

With community support and many volunteers the Recreation Commission has had a successful year. With new ideas and proposals always popping up we are trying to consider many things. Our usual programs, Easter Egg Hunt, 4th of July, Senior Thanksgiving Dinner, Halloween Party and Christmas Party are all well attended. Hopefully, we shall be getting much community use from the Ice Skating Rink at TES. At this point, we can hold the line on our budget. We also get a lot of cooperation and help from the Temple Highway Department. We will attempt to make our programs as interesting as possible.

We meet on an as needed schedule and are open to suggestions anytime. Help is needed and appreciated at all functions. As the Town grows recreational needs are also growing.

Respectfully submitted,
Joe Cournoyer, Recreation Committee Chairman
